

DANIEL SEXTON GURNEY
1931-2018

Thousands of heartfelt messages have arrived from many corners of the world addressed to "the hero of my youth."

We are profoundly touched by your expressions of affection and support and we thank you for your cards, emails, letters, tributes, television and magazine stories, flowers and donations honoring Dan's life and career.

*"Thanks for the memory,
how lovely it was."*

Forever in our hearts,
Evi Gurney, the Gurney family and AAR teammates.
